## **After School Program Information and Policies 2009-10**

### **Description of Program**

Mixed-age after school German enrichment program intended for children who are in K-3 grade (in 2009-10) with strong German language skills. Henrica Lajoie and Marie Rubin are the lead teachers with a rotating parent assistant. Program is intended to be *fun* for children who have already been in school for 4-6+ hours daily with focus on German language and culture, and developing a peer group of German speaking children. Reading and writing in German is incorporated as appropriate into projects or activities. Prerequisite German language skills include ability to understand German well (eg. be able to understand an age appropriate German storybook) and ability to speak at least some German. Maximum enrollment per day will be 8 students. With the exception of the art course, the courses are intended for students at approximately the same reading and writing ability. The art course is for a multi-age group.

### **Schedule**

Program starts at 3:45pm. 3:45-4:00pm is snack and guided play time, 4:00-6:00pm structured activities.

### **Volunteer requirements**

Parents are asked to provide snack and assist in classroom on a rotating basis depending on total enrollment (anticipated to be twice per term).

### **Tuition Payments**

Tuition for each term is \$249 for one day per week enrollment and \$489 for two days per week. Tuition is due with the application. No refunds will be offered after classes have started for the semester (except in cases of unusual family hardship or medical illness requiring entire semester withdrawal as determined by SAGA School Registrar). No sibling discount is available for the After School Program.

### **Enrollment Agreement**

Enrollment commitment is for a single term. Enrollment priority for winter and spring semester will be given to returning fall semester students. If class is cancelled due to teacher absence, refund of \$25/class will be given (or credited to subsequent semester's tuition). If student misses class, a makeup day is not guaranteed, but may be possible with teacher prior approval. If enrollment is insufficient, one or more of the scheduled courses may be canceled and tuition will be refunded in full.

Priority enrollment is given to current/former SAGA School students, former SAGA Playgroup students and siblings of current students/alumni if application is received by July 15, 2008 for Fall Term, Nov. 15<sup>th</sup> for Winter Term, and February 15<sup>th</sup> for Spring Term.

### **Policies and Procedures**

After school program shall follow all relevant policies and procedures as described in SAGA School preschool and kindergarten Parent Handbook. A copy is available upon request.
