(4-Part German Immersion
SAGA Summer School Series)

July

August

SAGA - the Seattle Area German American - School is delighted to present its drop-in Summer Camp for children 30 months to 5 and 6 to 10 years of age.

Your child (children) will enjoy music and movement, stories, arts, crafts, culture and lots of fun “Mit Felix, dem Hasen, durch den Sommer in der SAGA Schule”.

Our German immersion travel adventures with Felix will bring your child on visits with fun character friends such as Benjamin Blümchen and der Sandmann - two other childhood favorites in German speaking countries. They will explore the Neustädter Zoo and even venture into a robber’s hideout. Felix - famous in Germany for his wonderful letters and

postcards from around the world will now also take your child on a trip of a lifetime and all at the SAGA School and in the expert hands of native German-speaking teachers.

While this is a German immersion program, no prior experience with the German language is required.

The program is custom-developed by SAGA Curriculum Director Anita Dunlap and will be conducted by her and a team of our SAGA teachers.
