

## Parent Information and Emergency Contact

One of the ways the SAGA school works to keep tuition prices reasonable is to enlist the help of parent volunteers. Twenty hours a year are required from our families in the Preschool, Kindergarten and 1st Grade. Currently, families participating in the After School Program are not required to volunteer their time. Parents come from a variety of professional backgrounds that could help meet the needs of The SAGA School. For this reason, it is helpful for the school to have parent data. Enrollment in the SAGA school is not based on parent occupation or background.
